Dear Ms. Quesnel,

Re: BPR-1, *Broadcasting Procedures and Rules Part I: General Rules*

On August 1, 2019, the Department requested the RABC review the Department's proposed changes to BPR-1, *Broadcasting Procedures and Rules Part I: General Rules*.

The Board assigned the review of BPR-1 to its Broadcasting Committee, which held one call as part of its review. The Committee developed suggested enhancements to the proposed changes to BPR-1. These suggestions have been added to the attached version of the document using tracked changes.

The Board has completed its review and is satisfied with the updated draft of BPR-1. We appreciate having had the opportunity to review the proposed changes to the document.

Sincerely,

J. David Farnes
General Manager
